**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am in stern opposition to the proposed changes to deregulate and make changes that would impact my internet service. Small providers would be disproportionately impacted which would translate into price hikes and bad for consumers like me.

Rule changes should foster competition, not make it more expensive for small operators to provide service.
